May 2, 2014

**STAFF REPORT:** Grants and Cooperative Agreements Program (Grants Program)  
**STAFF:** George MacDougall, Grants Administrator  
**SUBJECT:** Grants Program Update

---

### Summary

As required by the regulations governing the OHMVR Division's Grants and Cooperative Agreements Program, the 2013/14 grants cycle began with the opening of the application process on January 13, 2014.

OHMVR Division staff conducted two grant workshops which were held in Ontario, on January 13 and 14, 2014, and in Sacramento, on January 16 and 17, 2014. There were approximately 115 and 120 prospective applicants in each of the respective locations. Additionally, representatives from 36 new potential grant applicant organizations attended the workshops.

Preliminary applications were received on March 3, 2014. During the month of March, OHMVR Division staff reviewed all applications and provided comments that were submitted to the grant applicants. The grant regulations provide for a public comment period; for this grant cycle that period was March 4, 2014, through April 7, 2014. During this time period, the public was able to provide comments and feedback on the preliminary applications to both the OHMVR Division and the applicants. The grant applicants are now completing their final grant applications which will incorporate the Division and public comments.

Critical dates for the remaining grant cycle process are as follows:

- Final applications are due on Monday, May 5, 2014.
- OHMVR Division staff will review and validate scores for final applications during the month of May.
- Intent to Award document will be posted on the OHMVR Division website on June 2, 2014.
- If there are no appeals, the awards will become final on July 3, 2014.

**Discussion**

OHMVR Division staff will be working with applicants to ensure both OHMVR Division and public comments are incorporated in their final applications.
